

WHITCHURCH WHIZZKIDS DATES & INFORMATION

Hello to everyone, as we settle into the 1st half of the summer term. I would firstly like to ask everyone who has access to the internet to go onto Whizzkids website as it has been fully upgraded with fantastic new photographs and much more information, you will also be able to log on and view this letter every half term including information about term dates, the web address is www.whitchurchwhizzkids.co.uk our thanks go to Hilary Moore for her time.

I would also like to take this opportunity to introduce the new Deputy Playleader, her name is Michelle Cleaver and she has such an excellent CV!! And that I hope everyone makes her feel very happy in her new position. We are still in the process of finding a relief supervisor.

Our theme for this term is "Staying Healthy"; we are going to be covering a range of different aspects from safety, hygiene, foods and our environment. Also the last week of term we are going to be having an Italian week and are planning to introduce the children to a new language, country, foods and lifestyle.

We have organised a Whitchurch School Activity morning for Friday 18th April, you will receive a letter at the end of this week.

From Tuesday 6th May for that week we will be having a sponsored recycling event, we will need parents to assist their children in bringing in their empty glass bottles/jars, and we will then count them over the week to see which child collects the most. At the end of the week we will be walking to The Crown to place the collected bottles/jars in the recycling bins. Sponsor forms will follow shortly.

On Wednesday 7th May we will be having Tempest photographers in for the morning. We would like to have as many children as possible to attend this morning (even if they don't normally!!) so that we can have a whole year group photo.

I am also hoping to plan Sports Day for the last week of this half term to be held at Whitchurch Primary School, I am just awaiting confirmation of a date.
